The Result in Obio.

Columbus, October 12. - Official returns from Tuesday's election began apparent. comin in slowly, six counties being recaived up to 10 o'clock to-night. Frankliu county official returns gives Hoadly 1,479 plusality. With this Secretary of State Newman estimates Hoadly's of State Newman estimates Hoadly's of State at 9,893 majority in the state at 9,893 the estimate made on the legislature. It is estimated that the amendment will be defered by 50,000 at least. Still some friends of the measure claim that it will be adouted.

There were agit rosts later, the most noticeable being on the 16th in the orthwest. The state average of condition show the extent of the injury, which was greatest in Michigan, Wisconsin, October 10—It was greatest in Michigan, Wiscons

most important field and a victory which | the Republican party of the country. gives us earnest of much greater yet to come. We look with pride and joy to the a hievement of our brethren in our sister state and yield them all praise and admiration which their gallantry and courage claims. The first battle in the great campaign of 1884 has been fought and won. Ohie calls on us to follow.

HOW IT WAS DONE.

St. Paul Pioneer Press.

secured them by an accident. This is Robins the second time the temperance agitators Willis Wood. have defeated the Republican party. They were practically forced to foster it s schemes, and when they went to the polls they betrayed it away for sentiment. They played a dishonest game in the hope securing the second amendment, and the Democrats secured he fruits of the hypocrisy. It cannot be charged this year that the Germans are responsible for this defeat. In the bittere fight against their beer ever known this State hey stood by the Republic ticket, while the people in the count districts gave it away. They did a seous day's work yesterday, and its effe will be far-reaching. It will not on revolutionize the political machinery the State, but it has destroyed the far of all thinking people in the movemen It has been a well-known fact here for years that the so-called temperance pewspapers were gotten up for no other purpose than to be the recipients of tribute from both the Democratic and Republi-

turns that in country districts PROHIBITION VOTES WERE TRABED OFF with Democrats, Under ordinary circumstances the Democratic vote would from the contest. be much heavier than it is. At the Democratic headquarters to-night the gansett Park races were postponed on ac claims are most exorbitant. Mr. Bargar, the chairman of the Democratic committee, claims a majority for Hoadley of 15,000 and thirteen in the Legislature on joint ballot. He bases this, as he says, old, three fourths of a mile, Ligan won on the official returns of seventy-four counties. Whatever may be the basis of Mr. Bargar's statement, he is undoubtedly over reaching himself, as the indications now are that Mr. Headly is elected, but the majority will be very small. The Hon. Sunset Cox has this to say to-night

can committees. Now, in the election of

vesterday it clearly appears from the re-

on the situation: I have been in the State for the past prophesy. Hoadly has from 10,000 to 12,000 majority and the legislature eighteen on joint ballot. That means Democratic success in 1884. All the counties | 1:18|. that I have been through are opposed utterly to any fiscal supplies and its acutterly to any fiscal supplies and its accompanying temptations. The Ohio vote R. S. Clarke third; time I 185. does not mean alcohol or not. It means

The Campaign in New York.

Albann, Ostober 12.—On invitation of the Democratic State Central Committee, representative Democratic and the Democratic press of the State, numbering 250 persons, met candidates for State offices to oday. The object of the meeting was for consultation as to the best means of organization. The result in Ohio it was claimed gave had the misfortene to lose the whole assurances of a Democratic victory in New York. A majority of 50,000 was assurances of a Democratic victory in New York. A majority of 50,000 was predicted.

The chairman of the county committees explained the prospects in their counties and thought a bright victory depended in some degree upon local nominations. The editors gave their experience. It was agreed that the schemes of reganization are satisfactory. In the evening the Democratic phalanx serenaded the Governor, candidates, and members of the conference. Governor Cleveland in a speech said:

"We had the misfortune to lose the whole of the make a full confession.

The Sessions Bribery. ALBANY, October 12. - The prosection rested in the case of Lorin Sessions, ex-Senator, on trial for the attempted brib ery of Assemblyman Bradley during the Conkling contest for return to the United States Senate. Counsel for Sessions immediately moved to squash the indictment. Bribery, he argued, had not been proven. He held that there could be no such thing as attempted bribery in this case under existing law, as Bradley had accepted the money, hav ing no intention to vote as it was alleged. Had he rejected the bribe then there would have been attempted bribery. The prosecuting attorney replying, scouted the proposition and argument and claimed attempted bribery was an offense at common law.

A. Mann Bankrupt.

THE SPANISH CRISTS. Madrid, October 12 - Camach has de-'ined the office of Minister of finance in the new cabinet, being unwilling to trust his projects for financial reforms to a co-

alition cabinet The leaders of the Dynastic Left will not decide about accepting positions in the new cabinet until they know the programme of Pasada Herrera. The Left is willing to postpone consideration of the question of constitutional reform, but insists upon the adoption of universal suf-

It is reported Moret, a leading member of the Spanish Democratic club, will be appointed Spanish Minister of Foreign Affairs. The appointment will be re-garded in Paris as signifying the close of the Alfonso incident.

EARTHQUAKE SHOCKS. LONDON, October 12.-Two shocks of earthquake at Agram and Fagorie on Thursday evening. The shock at Irkutak was slight.

Lord Lonsdowne, the new Governor-General of Canada, and wife, sailed for Canada. A Russian was arrested sketching the German forts at Keongsberg
The Spanish ambassador to France has

tendered his resignation and insists upon its acceptance.

THE ROMAN ARMY. In the Catholic congress at Naples, a letter from a Roman Duke was read declaring 60,000 Catholics in Italy were ready to strike for the restoration of the temporal power of the Pope.

It is stated that the King will grant Persada Herrera power to dissolve the Chamber of Deputies, making the new ministry more independent than the pre-Moody and Sankey begin a six months

mission in Islington early in November. PORCE VS. DIPLOMACY. The Paris evening papers state the difference between Gen. Bonet and Civil Commissioner Hannand in respect to the conduct of affairs at Tonquin originated in a conflict of opinion, not authority. Gen. Benet wished to take Sontag by force, the

34 Commissioner preferred diplomacy.

umor in the Stomach.

48 Much of the distress and sickness at-35 tributed to dyspepsia, chronic diarrhoea and other causes is occasioned by humor 1,127 in the stomach. Several cases, with all the characteristics of these complaints, 1,087 have been cured by Hood's Sarsaparilla. Other cures effected by this medicine are so wonderful that the simplest statement of them affords the best proof that it combines rare curative agents and when once used secures the confidence of the people.
